Acura Certified Pre-Owned Vehicles Limited Warranty

WARRANTOR This limited warranty is provided by the Acura Automobile Division (Acura) on behalf of American Honda Motor Co., Inc. (AHM), a California corporation.

ELIGIBLE VEHICLES Acura vehicles 6 years old and newer with 80,000 miles or fewer at time of delivery.

POWERTRAIN COVERAGE

The Acura Certified Pre-Owned Vehicle Limited Warranty provides powertrain coverage for 7 years*/100,000 total odometer miles (whichever occurs first).

NON-POWERTRAIN COVERAGE

For Vehicle Purchased Within New Vehicle Limited Warranty Period

The Acura Certified Pre-Owned Vehicle Limited Warranty provides non-powertrain coverage for 1 year*/12,000 miles to 5 years*/62,000 miles† (whichever occurs first).

NON-POWERTRAIN COVERAGE

For Vehicle Purchased After New Vehicle Limited Warranty Has Expired

The Acura Certified Pre-Owned Vehicle Limited Warranty provides non-powertrain coverage for 1 year**/12,000 miles† (whichever occurs first) starting from the date of Certified Pre-Owned Vehicle delivery to the buyer.

Covered vehicles must be purchased from a participating Acura dealer in the United States and reported as a Certified Pre-Owned Vehicle by that dealer to AHM. Vehicles must originally have been distributed by AHM through the Acura Division and registered in the United States.

* From original in-service date.

† Based on odometer miles.

** Starting from date of Certified Pre-Owned Vehicle delivery to the buyer.

COVERAGE Acura will repair or replace any part covered by this warranty that is defective in material(s) or workmanship under normal use (see Proper Operation and Maintenance, page 19) for 12 months or 12,000 miles (whichever occurs first) after the original New Vehicle Limited Warranty expires, and will repair or replace any powertrain part covered by this warranty that is defective in material(s) or workmanship under normal use for 7 years or 100,000 total odometer miles (whichever occurs first) from the date of original new car registration. (See What IS Covered on page 9.)

This limited warranty starts with the expiration of the Acura New Vehicle Limited Warranty, or from the date of sale of the Acura Certified Pre-Owned Vehicle if the New Vehicle Limited Warranty or Original Powertrain Limited Warranty already has expired.

All repairs or replacements made under this warranty are free of charge.

Upon the sale of the vehicle, private party to private party, this warranty is transferable. The new owner shall be afforded the balance of the 12-month/12,000-mile* coverage plus the remaining portion of the 7-year/100,000-total-odometer-miles* Powertrain Limited Warranty.

EXISTING WARRANTIES The coverage is offered in addition to and separate from all other Acura limited warranties and commences only when the existing New Vehicle Limited Warranty or Original Powertrain Warranty has expired (except the Rust Perforation Limited Warranty and Seat Belt Limited Warranty, which may continue concurrently with Acura Certified Vehicle coverage).

Please refer to the New Vehicle Limited Warranty Manual (in effect at the time the vehicle was delivered to the original retail purchaser) for other warranties that may apply. This limited warranty is separate from and does not extend the length of any existing warranties or provide any additional rights to the consumer under federal, state or local regulations.

* Whichever occurs first.

How to Get Warranty Service

For warranty service, take your vehicle to an authorized Acura dealer during normal business hours. A warranty identification card will be issued by Acura and sent to you two to three weeks after delivery of the vehicle. If this card has not arrived, or if it is lost and the dealer is not familiar with your vehicle, you will need the proof of purchase date (such as a properly completed inside front cover page of this booklet). Your Acura dealer may request your automobile VIN to confirm that your vehicle is an Acura Certified Pre-Owned Vehicle.

If your warranty claim is for a replacement part or an accessory that was originally installed by an authorized Acura dealer, you will need to show proof of vehicle mileage at the time of installation.

Emergency Repairs

Acura recognizes that your vehicle could develop a serious problem and require immediate repair at a facility other than an authorized Acura dealer. Acura will reimburse you for that repair if all of the following conditions are met:

- The repair would normally be covered by this warranty
- There were no authorized Acura dealers within 50 miles of the breakdown, or if local dealerships were closed at the time (Concierge Service at **1-800-594-8500** can provide you with the location of the nearest Acura dealer anywhere in the United States or Canada – See Additional Benefits, page 27)
- The vehicle was immobile, or if attempting to drive would cause further damage or be unsafe
- Prior approval is received from Acura Care®. Please call **1-888-68-Acura (22872)**

**IF YOUR VEHICLE CANNOT BE DRIVEN,
CONTACT EMERGENCY ROADSIDE ASSISTANCE
AT 1-800-594-8500.**

For reimbursement, go to any authorized Acura dealer. You must show a copy of the paid receipt and the replacement part(s). The dealer will reimburse you for the parts at the current manufacturer's suggested retail price. You will be reimbursed for the labor at a geographically appropriate labor rate for Acura's recommended time allowance.

Rental Vehicle Reimbursement*

If you experience a mechanical breakdown of a covered component and require alternate transportation, this warranty will provide reimbursement for the actual expense of a rental vehicle (up to \$45 per day to a maximum of 4 days and \$180 per breakdown). The substitute vehicle must be rented from a licensed rental agency or the repair facility. Reimbursement is based on the Acura Flat Rate Time required to repair your vehicle, according to the following table:

Repair Time Required	Number of Days Allowed	Maximum Reimbursement
2.0–8.0 Hours	2	\$90
8.1–16.0 Hours	3	\$135
In excess of 16.0 Hours	4	\$180

Rental Vehicle Reimbursement is valid only for expenses actually incurred from the date of the mechanical breakdown until the date repairs are completed and EXCLUDES ANY EXPENSE FOR MILEAGE, GASOLINE, MAINTENANCE, INSURANCE OR COLLISION DAMAGE WAIVER CHARGES.

* Available during the 12-month/12,000-mile (whichever occurs first) Limited Warranty period.

What IS Covered

Proudly presented to you by the Acura Automobile Division (Acura), on behalf of American Honda Motor Co., Inc., this limited warranty provides exceptional coverage for your Acura Certified Pre-Owned Vehicle.

The following repairs are not covered, if needed as a result in whole or in part because of:

- Covered parts damaged as the result of the failure of a non-covered part.
- Continued operation of your vehicle after a mechanical breakdown has occurred, when such use leads to consequential damage.
- Any mechanical breakdown resulting from engine over-revving; overheating; hydro-lock; contaminated fluids or lubricants; varnish; sludge; carbon buildup or deposits; improper programming; improper adjustments; consequential damage resulting from negligence, error, omission, improper installation/repairs, or servicing on the part of any servicing dealer, repair facility, or individual.

- Damage resulting from improper fluid levels, or the use of any fuels, fluids or lubricants other than those specified by Acura.
- Environmental or external causes such as: collision; fire; theft; vandalism; war; riot; explosion; volcanic eruptions; earthquakes; storms; floods; lightning; windstorm; firestorm; hail; sand; ice; freezing; hurricanes; tornados; tsunamis; seiche waves or other acts of Nature; rust; corrosion; water intrusion; water leaks; acid rain; fallout; salt; tree sap; or exposure to the elements or any other cause beyond the reasonable control of the parties.

- If for any reason the vehicle's factory warranty has been voided by Acura.

What IS NOT Covered (cont.)

ADDITIONAL LIMITATIONS (CONT)

Acura disclaims any responsibility for loss of time or use of the parts, or the vehicle in which the parts are installed, transportation or any other incidental or consequential damage. Any implied warranties, including the implied warranty of merchantability and fitness for a particular purpose, are limited to the duration of this written limited warranty. These limitations may not apply to your vehicle because some states do not allow limitations on how long an implied warranty lasts, or they may not allow exclusions or limitations of incidental or consequential damages.

Proper Operation and Maintenance

With proper use and regular maintenance, your Acura Certified Pre-Owned Vehicle can reward you with years of reliable service and low operating costs.

PROPER OPERATION This means using the vehicle as it was intended. Acura passenger vehicles are designed to transport people and luggage on reasonable roads within the legal speed limit. Four-wheel-drive vehicles may be used off-road, but the driver must always use good judgment when determining appropriate terrain and conditions, as well as appropriate speeds for such terrain and conditions.

Your Acura requires unleaded gasoline of the proper octane number (Anti-Knock Index). Exceeding the vehicle's load limit (too much weight either carried or towed) puts excess strain on the engine, brakes and other components and should be avoided. See your Owner's Manual for gasoline recommendations and where to find the load-limit label on your vehicle.

Proper Operation and Maintenance (cont.)

MAINTENANCE Check the engine oil and radiator coolant levels every time you fill the gas tank. These fluids protect your vehicle's vital systems and checking them regularly could help detect potential problems.

Always maintain your Acura as suggested by the Maintenance Minder™ system (refer to your Owner's Manual). The services and mileage intervals suggested by the Maintenance Minder™ should never be exceeded; they are essential to trouble-free operation. Parts that fail due to improper maintenance are not covered by this Limited Warranty.

Additional maintenance may be required if you operate your vehicle under severe driving conditions. See your original Owner's Manual for the maintenance schedule for severe conditions.

The personnel at your authorized Acura dealer are fully trained and equipped to perform proper and efficient maintenance on your Acura. Service at the dealer is not mandatory for continued warranty coverage, but is recommended. You may perform your scheduled maintenance yourself, or have it done by someone other than an authorized Acura dealer.

Another benefit of taking your vehicle to an authorized Acura dealer for regularly scheduled maintenance is that should you need to make a warranty claim, the dealer will be able to document the vehicle's service history. Maintenance histories may also be documented by one of the following:

- A maintenance record (like the one in the back of this booklet) showing the date, odometer reading and the signature of a person qualified to service motor vehicles.
- Copies of repair orders or other receipts with date, odometer reading and signature.
- If you service your vehicle yourself, you must provide proof of maintenance in the event of a failure. Proof of required maintenance must include the following: A maintenance log that shows the date and mileage that the service was performed, including receipts for fluids and filters, a statement that you completed the maintenance yourself (with dates and odometer reading). Receipts for replacement parts or fluids should accompany this statement.

As a courtesy to the next owner, receipts should be kept with the vehicle when sold.

Traveling or Relocating Outside the United States

Vehicles purchased from an authorized Acura dealer in the U.S. are designed to meet U.S. federal and state government safety and emissions specifications. Other countries may have different standards.

PRIOR TO DEPARTURE Acura Client Relations can provide information on Acura distributors in the area that you plan on traveling to, and check your vehicle's history and inform you of any campaign or recall repairs that need to be completed. In addition, Acura Client Relations will provide a certification letter stating that your vehicle was originally manufactured to meet all U.S. emissions standards.

If you are planning to take your Acura outside the U.S., contact the tourist bureaus in the areas you will be traveling in to find out about the availability of unleaded gasoline with the proper octane rating for your Acura.

If you plan to export and register your Acura in another country, we recommend you contact the vehicle import agency in that country to determine requirements. Acura does not have that information.

If unleaded gasoline is not available, be aware that using leaded gasoline in your Acura will affect performance and fuel mileage, and damage its emissions controls. It will no longer comply with U.S. emissions regulations, and will be illegal to operate in the United States. To bring your car back into U.S. emissions compliance requires the replacement of several components, such as the oxygen sensors and three-way catalytic converter. These replacements are not covered under this warranty.

Warranty Coverage Outside the United States

Acura vehicles registered in the U.S. and regularly driven in other countries are not covered by this Limited Warranty.

Acura dealers outside the United States will not honor this warranty. If you are traveling and have your Acura Certified Pre-Owned Vehicle repaired at an Acura dealer in another country, contact Acura Client Relations for information on reimbursement for covered repairs.

Client Satisfaction and Problem Resolution

As an Acura owner, your complete satisfaction is our highest priority. Personnel at your authorized Acura dealership have the training and experience to provide the proper service for your vehicle.

If you are not satisfied with any maintenance or repair work done by the dealership, your first recourse is to discuss your concerns with the dealer's Service Manager or General Manager. In most cases, you will be able to find a satisfactory solution within the dealership.

If you are not satisfied with your Acura dealer's decision, call Acura Client Relations at **1-800-382-2238**, or write to:

Acura Client Relations
1919 Torrance Boulevard
Mail Stop 500-2N-7E
Torrance, CA 90501

Please provide the following information:

- Your name and phone number(s)
- Acura model and year
- Vehicle Identification Number (VIN)
- Name of the dealer who sold you the vehicle
- Mileage and maintenance history

(See inside cover for model information)

Client Satisfaction and Problem Resolution (cont.)

Tell us the name of the dealer who is servicing your vehicle and if repairs relating to this problem were made by anyone other than an authorized Acura dealer. Include a detailed explanation of the problem and why you think Acura should be responsible for the repair.

Your correspondence will be investigated, and you will receive a reply from Acura. Acura Client Relations is committed to working with you and the dealership to find a satisfactory solution to your concerns.

If you disagree with the decision reached by Acura Client Relations, you may request to have your case reviewed in an independent dispute resolution forum. For model year vehicles 2012 and older, the program is administered by the Better Business Bureau (BBB). This program is called "BBB Auto Line." You may file a claim by calling the BBB toll free at **1-800-955-5100**. You may also write to: BBB Auto Line, Council of Better Business Bureaus, 3033 Wilson Blvd., Suite 600, Arlington, VA 22201. For model year vehicles 2013 and newer, the program is administered by the National Center for Dispute Settlement (NCDS). You may contact NCDS toll free at **1-877-545-0055**, via fax at **1-586-226-2559**, or by mail to: National Center for Dispute Settlement, P.O. Box 1108, Mt. Clemens, MI 48046. Please note that eligibility is limited by your vehicle's age, mileage and other factors.
